PSHCE
Curriculum Intent and Implementation

School Curriculum Intent

At St Peter's, every child will live, love and learn in an environment founded upon moral and Christian values; they will leave the school with the knowledge and skills to be lifelong learners and rounded citizens, and with the ability to make a positive contribution to their future society.

All that we do is founded upon a clear set of shared values, from which our motto is derived: Together We Believe, Aspire And Achieve

We want to give children opportunities to turn knowledge into personal understanding.
We allow children the time to explore, clarify and challenge their own and others' views, attitudes, beliefs, rights and responsibilities.
We want to provide children with the skills and strategies they need in order to live healthy, safe, fulfilling, responsible and balanced lives.
