Sport Premium Plan – 2024/25

			
Girls' football team at a cluster event run by St Peter's and earning FA and Prem League Awards.	Y6 pupils surfing in North Wales; one of two annual OOA residentials (for Y4 and Y6).	Cluster-schools' cricket event, held at St Peter's and led by its staff and Y6 Young Leaders.	Half-time ent'mnt at Salford Red Devils; partly funded by the Sport Premium.

Primary Schools' Sports Funding

To assist the delivery of high-quality PE and sport, each primary school receives £16,000 per year, plus an additional £10 per pupil from Y1-6. For St Peter's CE this means £17,670 for the academic year. This funding, which doubled six years ago for all schools with the addition of the funds brought in by the government's 'sugar-tax', is called The Sport Premium, and of its many purposes the main ones are to:

- provide as many opportunities as possible for children to be active
- further increase the high quality of PE lessons provided to pupils (whether delivered by external providers or school staff)
- increase opportunities for children to participate in extra-curricular sport, and link this into local clubs and extended services
- provide such a variety of opportunities for our children that they will develop a lifelong love of sport and physical activity
- allow schools to increase the skills of their staff by providing high quality professional development opportunities
- allow schools to work with children and families to address healthy diets, especially in terms of being sugar-smart
- enable schools to focus further resources on promoting positive physical and mental health, and wellbeing.

Provision at St Peter's

As a school we are recognised as already providing high quality Physical Education within the curriculum and numerous sporting opportunities outside of it. We always held the Activemark and Healthy Schools Awards, whilst we are currently recognised by the School Games Gold Award.

St Peter's is noted as having one of the highest levels of extra-curricular sporting provision in the city and we are proud of the fact that this provision is entirely free of charge to pupils. Our intention is that the Sport Premium funding will further enhance this existing provision for our children. The governors agree that the funding must be used so that:

- all children benefit, regardless of sporting ability
- all children have the opportunity to compete against others at some level
- the most able children are given the opportunity to compete in high level competition, both at school level and beyond (with pathways n place for a variety of sports)
- we provide opportunities for pupils to experience elite-level professional sport
- all staff have access to training opportunities and continuing professional development.

Sport Premium Plan Expenditure

Our 2024/25 funding of £17,670, will be used:

- to fund the equipment and facilities required to provide curricular- and extra-curricular PE and school sport activities of the highest standard, free to all pupils
- to enable us to work with the Salford School Sports Partnership, to develop sporting skills and increase the number of inter-school competitions within the curriculum
- to facilitate Mr Stevenson to lead the Swinton Primary Schools' Cluster events for all ages, co-ordinating the eight schools in this area of the city
- to continue our links with the Salford Primary Schools' Sports Association (Mr Wright has been Chair of this association for 20+ years) and increase the number of inter-school competitions outside of the curriculum
- to facilitate a coach from Premier Education Group to team-teach and up-skill our school staff in the area of PE teaching, developing the Physical Literacy (underlying physical skills) of children in EYFS and KS1 and teaching quality first PE to all pupils.

Sport Premium Plan Aims – 2024/25

- to employ a high quality 'Premier' sport & PE professional to team-teach PE to children in EYFS, Key Stages 1 and 2, alongside their class teachers and teaching assistants
- to conduct The Golden Mile (the Daily Mile) scheme as a 10-minute daily event for all children, and continue the weekend participation of our cross-country team on top of this
- to reinstate The Golden Scoot (each class scoots for one day per week, instead of that day's Golden Mile walk) by paying for elbow/knee pads and helmets
- to provide ongoing training by specialist coaches for Y5 and 6 pupils who act as Young Leaders each lunchtime on the infant and junior playgrounds
- to work with Lancs County Cricket Club to develop cricket skills with specialist coaching
- to work with Salford Red Devils and Swinton Lions Rugby League Clubs to develop rugby skills with specialist coaching and provide free access to elite level sport spectating
- to maintain our position as link-school for Salford Red Devils and Swinton Lions Rugby League Clubs
- to work with The MUFC Foundation to provide football, citizenship and wellbeing activities
- to increase participation in girls' competitive sport (inc with local FA clubs & MUFC Found'n)
- to increase extra-curricular provision for children in EYFS (summer term)
- to increase inter-school competition for children in KS1 and Lower KS2
- to continue to provide extra-curricular opportunities for children not previously engaging in sport: Play-Active lunchtime clubs (summer term)
- to build on the feel-good factor of the 2024 Paris Olympics by extending our athletics provision
- to provide an extra swimming teacher during weekly Y3 lessons – increasing the opportunities for children to be supported and developed at differentiated levels
- to subsidise two OAA (outdoor and adventurous activity) residentials, at Lledr Hall, Snowdonia, for Y6 pupils, and at The Anderton Centre, Lancs, for Y4 children
- to provide class trips for Y5 to Salford Watersports Centre (and more classes if possible)
- to provide class trips (or visitors to school) for infant ch'n for age-appropriate sports
- to have a Freddy-Fit day for the children, based on healthy diets/sugar-smart, then staff tr'g
- to have an inspirational visiting speaker present to us regarding health and well-being
- to enable trips out, and specialists in, for 'Action-Sport' days – scooting, skateboarding, parkour, etc, courtesy of Graystone Action Sports
- to support a long-term plan to redevelop the Early Years' outdoor area to promote the youngest children's physical development.

Sport Premium Plan 2024/25 Breakdown of Costs: £17,670

- Shauna Miller, Premier Education – coach/PE teacher providing professional development by team teaching PE each Thursday - £6,460 (£170 x 38 weeks)

- Scooter safety equipment (pads & helmets) - £400
- Upgrade to EYFS outdoor play equipm't - £400
- Contribution to KS1 and 2 outdoor play equipment - £120

Governance (taken from OFSTED Subsidiary Guidance)

Inspectors will consider the impact of primary school sport funding on pupils' lifestyles and physical wellbeing by taking account of the following factors:

- The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- The increase and success in competitive school sports
- How much more inclusive the PE curriculum has become
- The growth in the rate of provision of alternative sporting activities
- The improvement in partnership work on PE with other schools and other local partners
- Links with other subjects that contribute to pupils' overall achievement and their greater spiritual, moral, social and cultural skills
- The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health
- The impact of school's work on the physical and mental health and wellbeing of its pupils.

PW/GS July 2024

July 2024 Swimming Impact Evaluation

At St Peter's it is the Y3 class that takes part in swimming lessons, which happen once a week for two full terms from September to April. We use part of our Sport Premium grant to fund an extra swimming teacher for these sessions, so that each week there are two fully qualified swimming instructors with the 30 children, plus our own member of staff who supports this.

Since we increased the number of staff working with the children six years ago – and doubled the length of each session from half-an-hour to one full hour each time – the results have been notably positive, as indicated here:

2023/24 swimming results: 90% of the 30 children finished Year 3 at level 2 or above

KS2 All-Round Pass – 14 children	Level 3 – 3 children	Level 2 – 10 children
Level 1 – 1 child	Water Confidence – 2 children	

Also, all 30 children passed 'KS2 all strokes', 27 out of 30 children attained 'KS2 self-rescue' and 26 children achieved the 'KS2 25m pass-mark'.
